

Community Head Injury Resource Services (CHIRS) 62 Finch Avenue West 416-240-8000

Getting to CHIRS

CHIRS offices and Club are located near the intersection of Yonge and Finch – a short walk from the subway. We are four blocks west of Yonge on the north side of Finch. Our building is at the intersection of Finch Avenue West and Kensington Avenue.

If you are traveling on the Subway – get off at Finch Station (on the Yonge subway line). Follow the signs for Finch Avenue West. When you exit you will see the Xerox Tower and the North American Centre – stay on the same side of the street and walk west on Finch for four short blocks.

TTC buses travel frequently along Finch and stop very close to our building. If you are traveling by bus from the east (Bus 39 Finch East) the nearest stop is Kensington Avenue- we are on the opposite corner when you cross Kensington. If you are traveling by bus from the west (Bus 36 Finch West) the nearest stop is Madeline Road – just cross Finch Avenue and you will see our building.

Call TTC information for exact details from your location: 416-393-4636 or use their website at <http://www.city.toronto.on.ca/ttc/>.

Parking is available but is very limited. You can park behind the Danish Lutheran Church at 72 Finch Avenue West at the very back of the parking lot where CHIRS has 18 spots marked off as reserved in yellow paint. Please put a business card or a note on your dashboard indicating you are a visitor of CHIRS. There are also a few parking spaces behind our building which we want to make available to those who have mobility impairments.
